Market Gardeners' Wholesale Catalog 1936

High Grade Seeds, Implements, Fertilizers, Twines, and Market Gardeners' Requisites

The seeds offered in this catalog are the product of careful selection and cross-breeding. Years of effort and labor are bred into our stocks before we offer them to the public. New varieties are added from time to time, but not until we feel convinced they are better than the old sorts.

Every lot of seeds is tested before it leaves the house. This is done as an extra precaution to safeguard you against possible losses.

Seed crops in general were excellent last year. Our stocks are complete and germination tests are high. We are now ready to accept your orders. If possible order early and state how soon you like to have the goods.

TERMS AND CONDITIONS

ORDERING. If possible use our order sheet, but if you have none, use any kind of paper. Additional order sheets will be sent on request.

Be sure to fill in your name and address. Write plainly, English, Holland or German may be used, for expressions or correspondence.

PAYING. All bills are due August 1st next, unless other agreements are made. Overdue accounts will draw interest at the rate of six per cent (6%) per annum.

Credit will be extended to regular customers, providing your account is in good standing.

New customers, applying for credit, will please send paid seed bills of two previous years to prove good standing elsewhere.

Orders for C. O. D. shipment will have prompt attention if 25% of the amount is sent with order.

On spring orders for garden seeds we allow a discount of 10% if paid before April 1st. On implements 5%. Orders received after June 1st are not subject to discount.

Grass and Field Seeds are sold net cash at any time. Bags are free.

DELIVERY. All orders will be delivered free of charge within a radius of 50 miles. After April 1st, and continuing throughout

the summer, we make daily deliveries to all local points.

SHIPPING. Shipments can be made by freight, express or parcel post. If no instructions are given, we will use our own judgment. We will prepay shipments of Garden Seeds up to a distance of 150 miles from Chicago. Field Seeds, Gasoline Engines, Machinery, Fertilizers and all Implements are quoted and shipped f. o. b. Chicago.

Be sure to note condition of bags on arrival; if torn, have it marked on your freight bill; if spilled out, have the bags weighed and weight also noted on freight bill, otherwise it will be impossible to recover damages.

If for any reason an order or part of an order cannot be filled, we will refund amount sent for such order or part of such order.

WARRANTY. Owing to climatic conditions and difference in soil, we cannot and do not give any warranty, express or implied, as to crops produced of seeds bought from us, and beyond the amount charged for any item, we will not be held responsible for any results whatever. If the purchaser does not accept the goods on these terms, they are at once to be returned. To protect our faithful customers, as well as ourselves, we do not take back any packages of seeds that have been opened.

Insecticides and Spraying Materials

KILL INSECTS

Quicker—Safer—Easier

with

KALO NON-ARSENICAL INSECTICIDES

*Using Proven, Modern Principles,
Controlling More Insects*

WITHOUT ARSENIC

KALITE —a quick-killing dust for most chewing insects, as Beetles, Worms, Caterpillars, including Cucumber Beetles, Mexican Bean Beetles, Cabbage and Tomato Worms, Blister Beetles, Flea Beetles, and many others not killed by old-fashioned insecticides. Safe to use. Does not burn foliage.

1 lb. can 35c 3 1/4 lb. can \$1.00 25 lbs. \$5.00

KALO SPRAY —used as a wet spray for same insects as Kalite. Also for Codling Moth, Oriental Fruit Moth, Curculio. Safe to use and safe for foliage.

1/2 lb. can 35c

4 lb. bag \$1.45

KALOIL —a non-poisonous spray for most insects. An economical pyrethrum contact spray. Mixes readily with any water for instant use. Needs no soap. Particularly for sucking insects such as Aphis (plant lice), Leaf Hoppers, Mites, Thrips, White Flies.

1 1/2 oz. can 35c 6 oz. \$1.00 32 oz. \$3.50

KALITE AND KALOIL ARE MAILABLE

10% TO 50% INCREASE IN CROP YIELD

—no uncommon result of Seed-Protection against damping-off—with

CUPROCID

The Red Copper Oxide That Stays Red

1 lb. Can 90c

How to Use Cuprocide

The seed is dusted with a protective red coating of Cuprocide. For treating small quantities up to a few pounds of seed, small glass jars are convenient, and by shaking and turning the container for some five minutes, it will be found that the seeds are thoroughly coated with the red powder.

1-lb. can for 40 lbs. seed\$0.90
5 lb. can for 200 lbs. seed 3.50

Beet seed requires double amount.

Black Leaf 40. A solution of Nicotine Sulphate used as a liquid spray only to kill plant lice and other soft-bodied sucking insects; harmless to plants. Full directions with each can. 5-oz. bottle, \$1.00; 1-lb. can, \$2.25; 2-lb. can, \$3.25.

Corona Dry (Arsenate of Lead). For all leaf-eating insects. Sticks well to the leaves; can be used wet or dry. 1-lb. pkg., 35c; 5-lb. pkg., \$1.20; case (30 lbs.), \$5.90.

Calcium Arsenate. Mostly used for spraying potato crops. 5-lb. pkg., 75c; 100 lbs., \$11.00.

Flowers of Sulphur. Used in dusting Grape Vines and other crops. Lb., 15c; 10 lbs., \$1.00.

Bordeaux Mixture. Used for spraying against blight and fungous diseases. 1-lb. pkg., 35c; 5-lb. pkg., \$1.20.

Tobacco Dust. 100-lb. bag, \$4.00; 500 lbs., \$18.00; ton, \$64.00.

Hammond's Slug Shot. Widely known preparation for killing cabbage worms, potato bugs, etc. 5-lb. pkg., 75c; 10-lb. pkg., \$1.25; 25-lb. pkg., \$3.00; 100 lbs., \$11.00.

Pyrox. For wet spraying only. Kills leaf-eating insects. 1-lb. can, 50c; 5 lbs., \$1.75; 10 lbs., \$3.00.

Paris Green. A poisonous insecticide in powder form, for chewing insects; a very strong poison. 1-lb. can, 45c; 2-lb. can, 80c; 5-lb. can, \$2.00; 14-lb. pails, \$4.50.

Formaldehyde. Used for treating various seeds to prevent smut. 1-gal. bottle, \$2.75; 1/2 gallon, \$1.60. For larger quantities ask for special prices.

Copper Sulphate. Used chiefly for spraying celery; crystal or powder form. Per lb., 25c; 25 lbs., \$4.00.

Semesan. A seed disinfectant used to cure or prevent blight, smut, neck rot and wilt on certain vegetables. The seed can be dusted with this chemical or soaked in wet solution. Prices, 2-oz. can, 50c; 1-lb. can, \$2.50; 5-lb. can, \$11.75; 25-lb. pail, \$46.25.

Semesan Jr. Used for treating corn seeds. Prices, 1-lb. can, \$1.00; 5-lb. can, \$4.75; 25-lb. tin, \$23.25.

Semesan Bel. For treating bulbs, potatoes and roots. 1-lb. can, \$1.65; 5-lb. can, \$7.00.

Use Semesan In The Hotbeds To Promote Healthy Growth Of Plants

Sprayers and Blowers

Rival No. 288 Sprayer

Capacity, 3½ Gallons.

This machine is equipped with hose and 20-inch extension rod, making it easy to put the nozzle close to the plant, enabling you to spray where it is most needed. A few strokes on the pump handle every 10 minutes is all that is necessary to give sufficient pressure. Tank is galvanized, nozzle brass. Price, \$5.00.

Mason Jar Sprayer

Handy for spraying animals or small garden plots. Each, 75c.

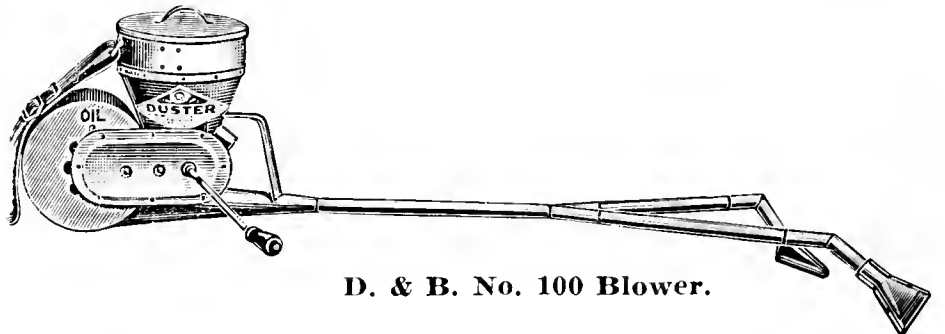

Slug Shot Duster or Sifter

1 Gallon Size.

Used for dry dusting only. A slight shake of the can is sufficient to cover the plant with dust. Price, 85c.

D & B No. 100 Blower

Used for dry dusting only. Large fan operated by crank handle through gears gives a powerful blast, distributing insecticides to every little nook of the leaves. Dusts one or two rows, as desired. Price, \$11.00.

D. & B. No. 100 Blower.

D & B No. 200 Blower

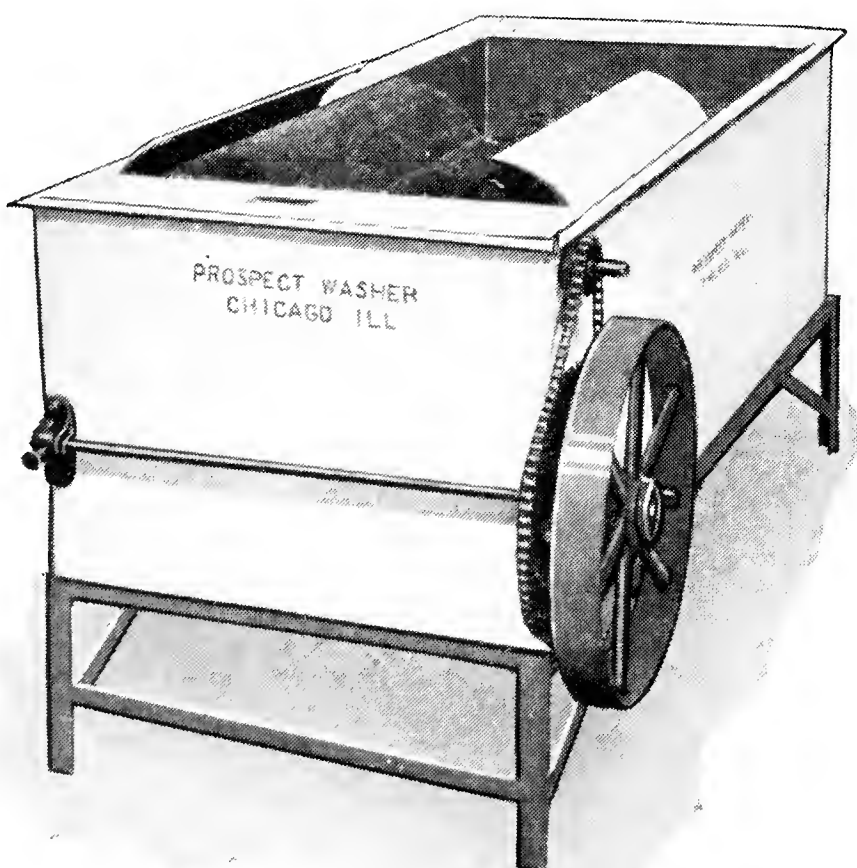

Operates the same as the No. 100 Blower, but has larger fan and hopper. The gears are enclosed in a dustproof case packed with light grease. In addition, it has a curved metal plate, fitting over the stomach of the operator, with canvas strap to fasten around his waistline. Price, \$14.00.

When using a blower it is advisable to cover mouth and nose with cloth or handkerchief to prevent inhaling of poison dust, likely to cause ill effect.

Wheelbarrow Sprayers

12 Gals. capacity. Price, \$15.00.

18 Gals. capacity with air pressure tank for spraying, whitewashing, etc. Complete, price, \$38.00.

PROSPECT BUNCH VEGETABLE WASHER

Easy to Operate—Never Gets Out of Order

Here is a machine that will solve your washing problems. Will wash from 800 to 1000 bunches per hour with two men attending. Makes a better job than a man with a hand brush and does it much faster.

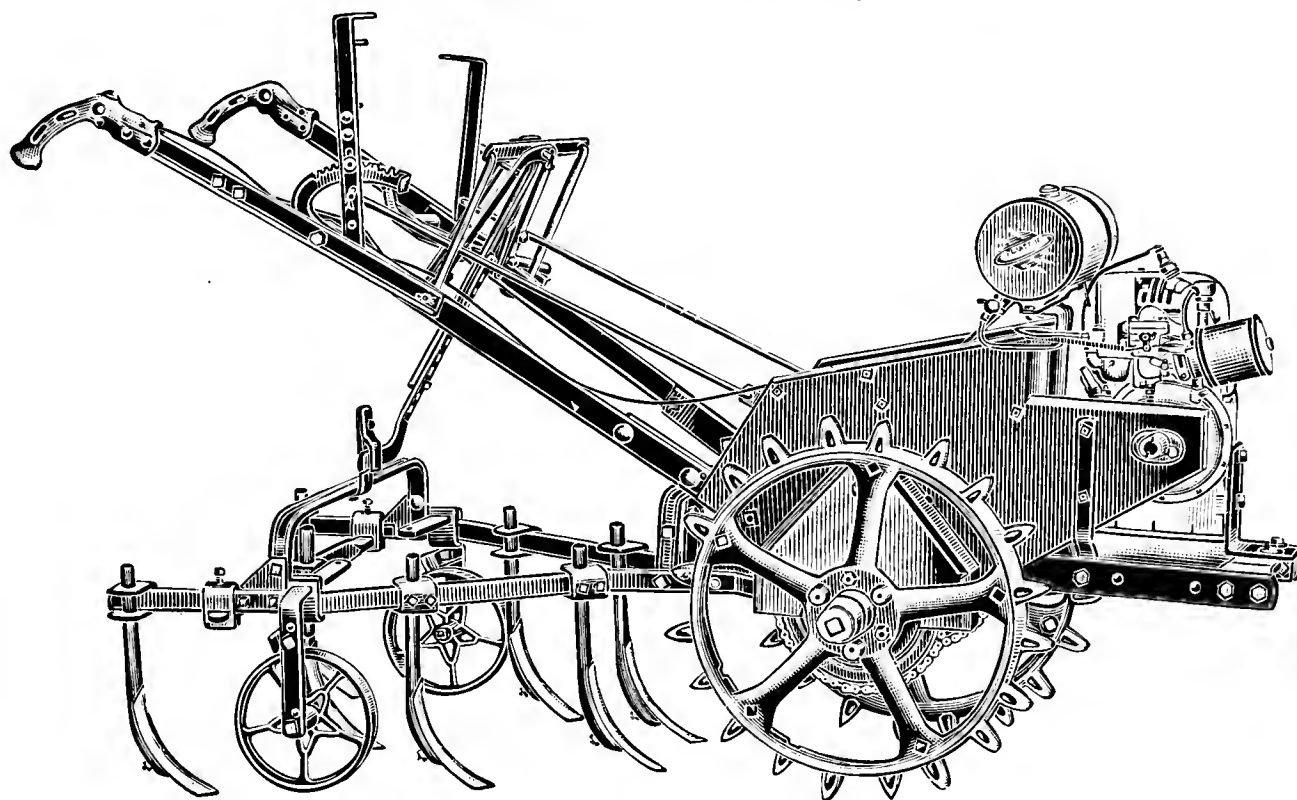

Can be operated by electric motor or gasoline engine.

The washing is done by two revolving brushes, 28 inches long and 10 inches in diameter. These brushes last a long time, but can be renewed when necessary. The tank is 5 feet long.

No running water required, simply fill the tank to the water line as indicated on the side and go ahead. Price, \$120.00.

Planet Jr. Tools

Planet Jr. Tractor

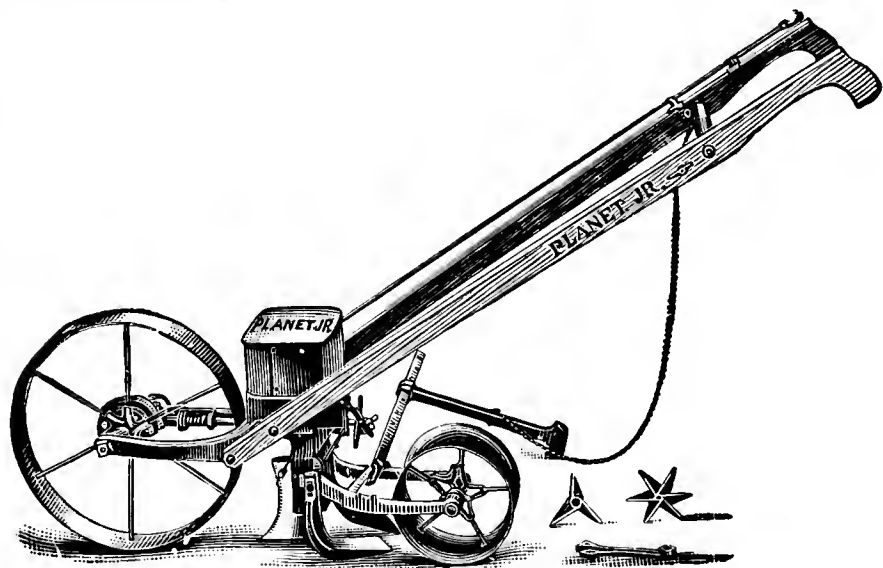

Price complete as shown above: \$289.00.

The Planet Jr. Tractor is, in our opinion, the best Garden Tractor on the Market. A dependable motor assures freedom from trouble. Operating costs are very low. Illustrated Tractor Catalog mailed free on request.

No. 3 Planet Jr. Seeder

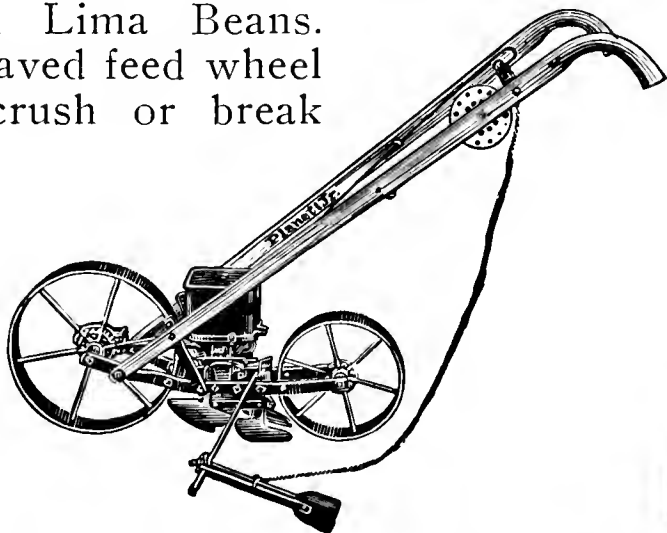

This is the favorite machine among truck gardeners. Runs light and does the work right; will sow anything in vegetable seeds. Price, \$16.50.

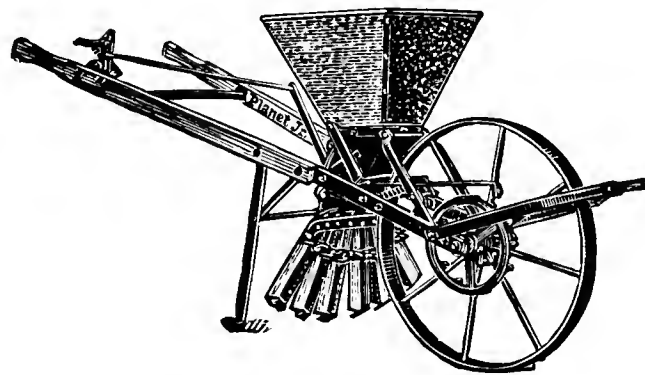

No. 3 Seeder.

No. 300 Planet Jr. Seeder

The ideal machine for the market garden-er. Drops evenly and accurately any vegetable seed from the smallest up to Bush Lima Beans. New style waved feed wheel does not crush or break Beans or Peas. Hopper can be removed in a few seconds to empty leftover seeds. Price, \$18.75.

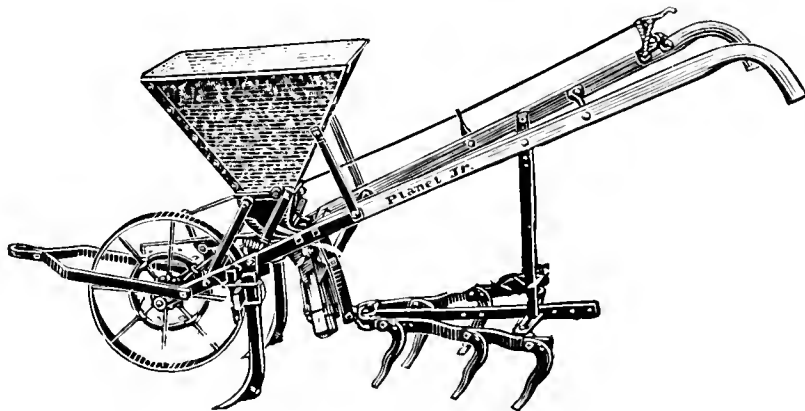

No. 220 Planet Jr. Fertilizer Drill

A new model fertilizer distributor, which will do fine work.

Operates like a wheelbarrow, will sow 100 lbs. to over a ton per acre. Feeds the material through 6 galvanized pipes. These are adjustable, capable of covering a strip 30 inches wide. Seldom clogs up. Price, \$26.00.

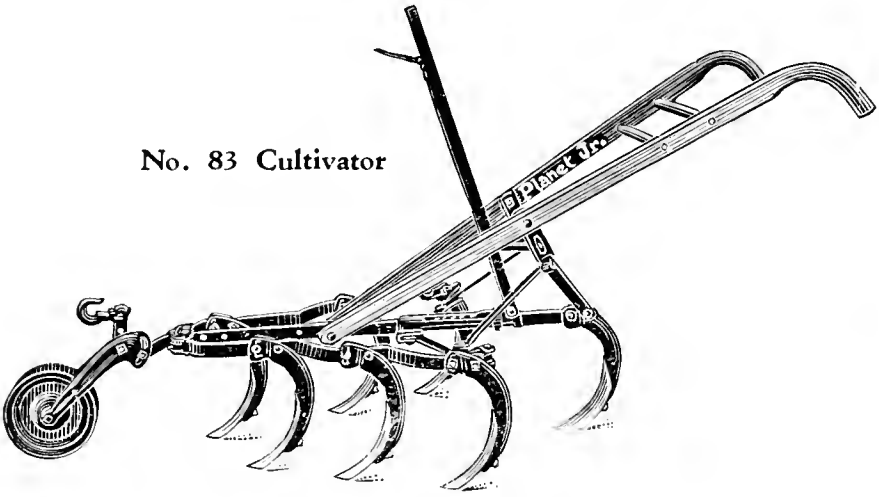

No. 230 Planet Jr. Fertilizer Drill

A fertilizer Drill and Cultivator combined. Will handle almost any kind of commercial fertilizer. Can be supplied with 2 front wheels, if desired, at a cost of \$2.50 extra. Price, \$35.00.

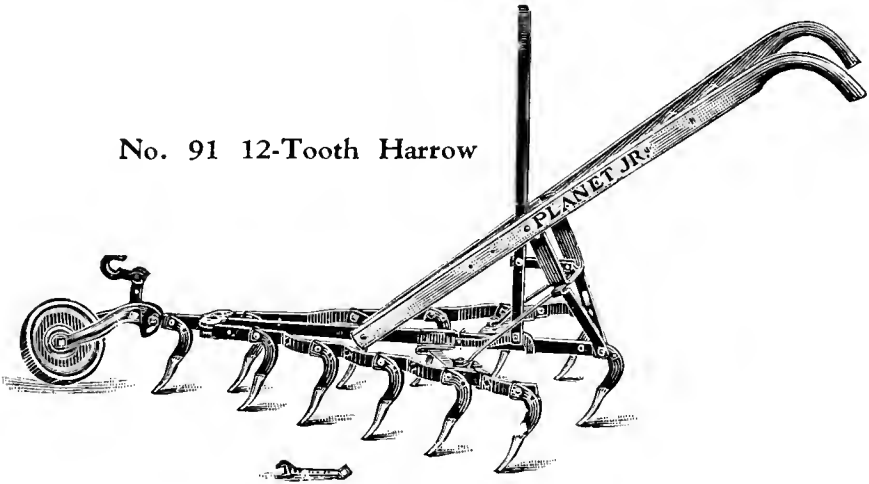

Planet Jr. Tools

No. 83 Cultivator

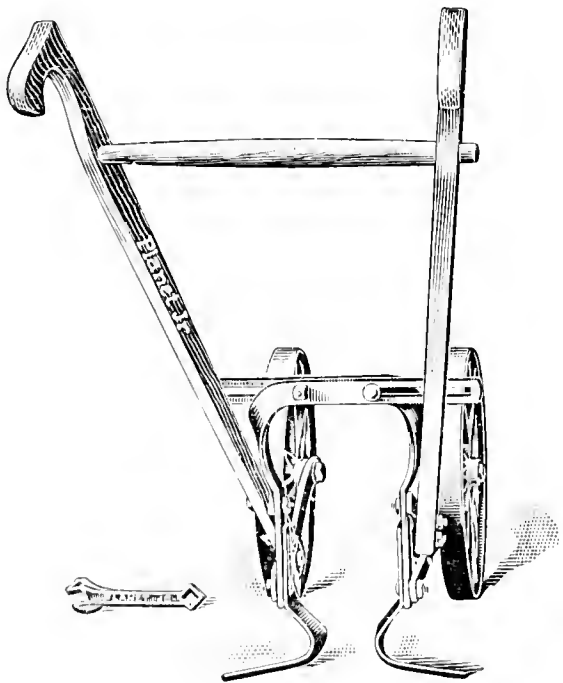

The Seven-Tooth Cultivator has gained in favor due to the fine work it does; weeds have a very small chance to slip by when these seven shovels are in operation. We recommend this as a valuable tool. Price, \$12.75.

No. 91 12-Tooth Harrow

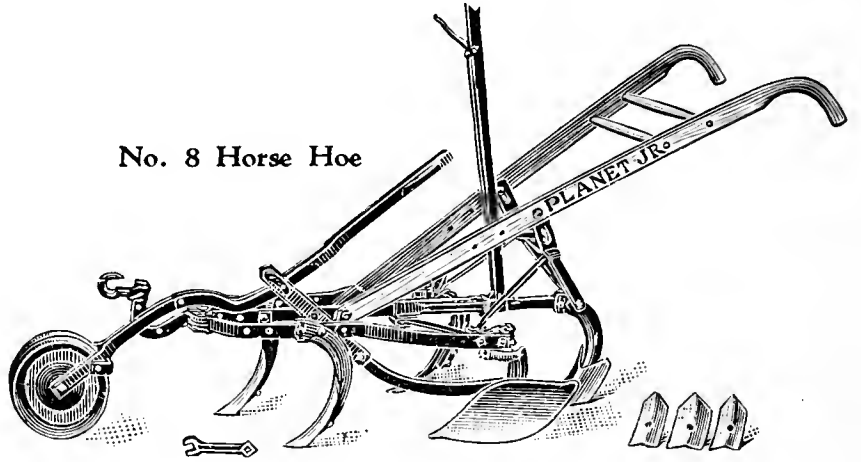

This machine gives excellent satisfaction in early Summer, when plants are small. Breaks the crust on the ground without covering the tender plants, at the same time destroying the first crop of weeds. Price, \$11.85.

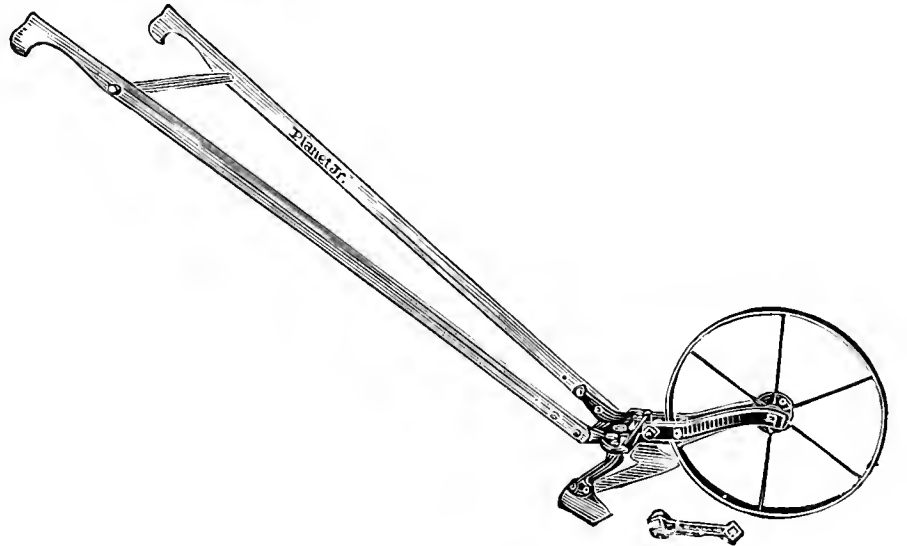

No. 60 Planet Jr. Double Wheel Onion Hoe

Price, \$8.00

No. 8 Horse Hoe

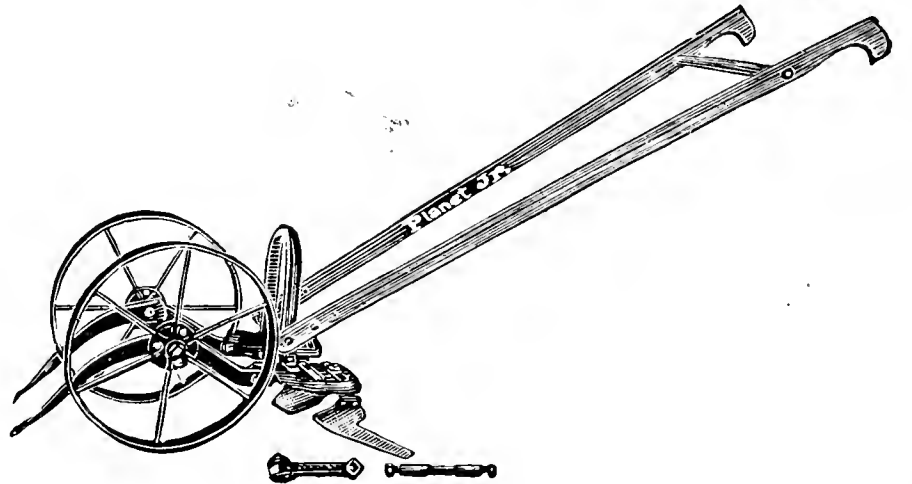

For thorough cultivation this machine has no equal; it can be used for plain cultivating or for hilling work in corn, potatoes, etc. The lever wheel and depth regulator make it very easy to operate. Price, \$14.70.

No. 18 Single Wheel Hoe

For cultivating small crops the No. 18 is just the thing; simple but very effective. Thousands of gardeners are using them profitably. Price, \$5.50.

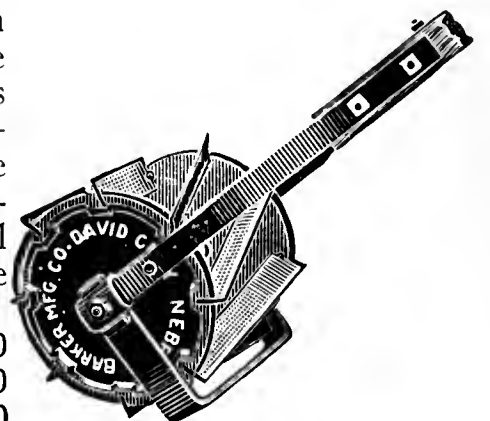

No. 13 Double Wheel Hoe

To those who like a double wheel cultivator we recommend this machine. The two wheels make the going more steady. Price, \$7.60.

Barker and Easy Weeders

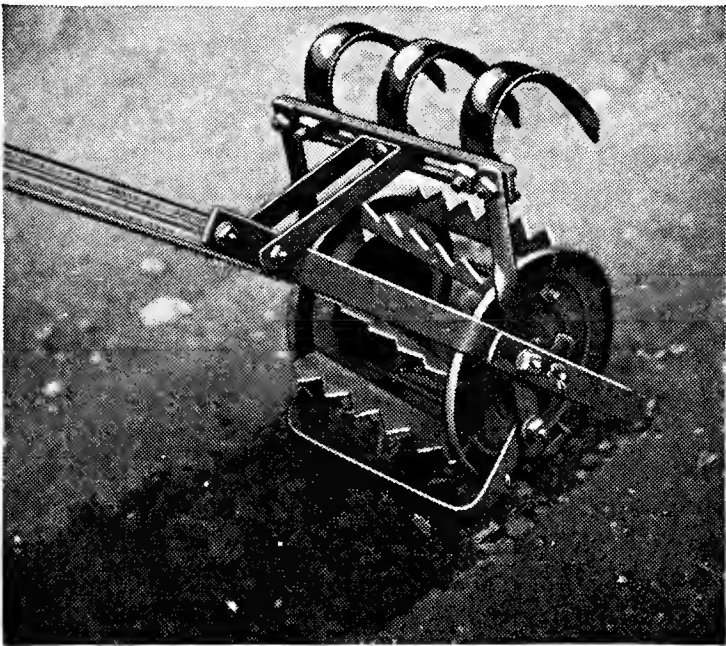

Operates like a lawn mower. Used when the plants are young, does not cover up the seedlings as it throws the dirt backward, pulverizing the crust on the soil at the same time. Made in three sizes.

6 inch width...	\$6.50
8½ inch width...	7.00
10 inch width...	7.50

The Barker Weeder

Planet Jr. Speed Hoe

A wonderful little machine indispensable to every market gardener. It breaks the crust and gets the weeds as they come up. Made in three sizes.

8-inch width	\$7.85
10-inch width	8.30
12-inch width	9.25

Felin's Tying Machine

A labor-saving machine operated by foot. Will tie Gladiolus, Asters, Green Onions, Beets, etc., in bunches. Cotton twine or colored braid can be used. Illustrated circular sent on request. Price, \$65.00.

Lang's Hand Weeder

This little tool is handy and useful throughout the season. Price, 25c each; 5 for \$1.00.

Protect Your Seed Corn

During the period when it is most easily damaged, by ridding your crop of crows and other corn-pulling birds and animals. It saves

loss of seed and labor of re-planting. It positively will not clog any planter. It is non-poisonous and will not injure the seed or any kind of corn. It is more effective, more convenient to use, and more economical than any other material.

LARGE CAN, \$1.00
(Enough for 2 bu. of seed corn)

SMALL CAN, .60
(Enough for 1 bu. of seed corn)

Hotbed Sash, Glass, Putty, Etc.

HOTBED SASH (unglazed and unpainted); 1 3/4 in. lumber. 4 rows for 8x10 glass, price on application.
